Professional Experience

Head of Communication, Stablecoins | TRON DAO (Apr 2024–Current)

- Official spokesperson, delivering keynotes and interviews at major conferences (e.g. TOKEN2049 Singapore, 25k+ attendees) and online events, regularly attaining additional media coverage
- Led social media team and directed strategy for USDD, WBTC, and TUSD across Twitter, Telegram, WeChat, and Medium, driving 0-1 growth and consistent 5-10% MoM increases in engagement and reach
- Oversaw crisis communications for high-profile incidents, e.g. 2025 Coinbase lawsuit, attaining full recovery of market share
- Executed major multi-channel campaigns (e.g. WBTC's 6th Anniversary, USDD rebranding), achieving 15-20% follower growth
- Forged and maintained strategic partnerships, actively securing new collaborations and managing 80+ ecosystem stakeholders

Director, Technical Communications | ParallelChain Lab (Sep 2023–Apr 2024)

- Led technical and marketing communications for AI and blockchain products, including developer resources, UX product copy, and long- & short-form content achieving 1000+ impressions
- Directed business communications at industry events, e.g. International Symposium for Blockchain Advancements and Singapore FinTech Festival, exceeding sales lead targets by over 200%

Senior Content Writer | Prudential (Dec 2022–Sep 2023)

- Developed and launched multi-modal learning curriculum for Prudential agents and leaders, localised across 9 markets in Asia and Africa
- Crafted full communication packages for international events, e.g. Million Dollar Round Table (MDRT), including materials for Chief Executives

English Curriculum Specialist | Grade Solution (May 2022–Dec 2022)

- Managed guerrilla marketing campaign for proprietary AI-powered EdTech platform, achieving SGD\$0.50 cost per lead and 0.20 conversion rate

Freelance Content Marketer | Netflix Singapore (May 2022–Dec 2022)

- Produced social media content for Netflix Singapore, attaining international visibility with posts adopted by other Netflix markets
